1) For these Information Products Contracting Party may select the CEX composition in accordance with Section 3 below.

- 2.2 For establishing Cloud Stream Access, the Contracting Party will be provided with a log-in. Only one log-in can be assigned to one contact. Please add the contact person(s) who should receive the credentials for the Cloud Stream Access per Information Product in accordance with the table below. For the avoidance of doubt, the number of contacts shall be equal to the number of accesses (1 contact person = 1 Cloud Stream Access) ordered above.

Information Product	Name, Last Name	E-mail

3. Selection of Centralized Exchanges

3.1 If Contracting Party selected a KAIKO® Information Product with a footnote in Section 2.1, Contracting Party may select in the table below the individual centralized exchanges “CEX” in accordance with the predefined number of CEX covered in the respective KAIKO® Information Product (5 CEX, 10 CEX, 15 CEX and 20 CEX). The composition of the CEX within the Information Product ordered can be amended once per calendar quarter with effect of the beginning of the next calendar quarter.

Centralized Exchange	Un- changed	Add Date	End Date
